MEMORANDUM FOR: Director of Security

FROM: Executive Assistant to the DDCI

1. The DDCI would appreciate your having someone develop a hypothetical job description for an Industrial Security Officer whose company might have overseas branches and be concerned about terrorism. He would like to be able to hand this out to companies during upcoming speeches so you should make it unclassified.

2. I understand that you have a brochure on terrorism that we distribute through the Department of Commerce. He might also find that useful. We would appreciate having this by 1 April.
